Ohio Bureau of Motor Vehicles

1) WAIVER OF FULL HEARING ON 12-POINT SUSPENSION AND REQUEST FOR IMMEDIATE HEARING FOR LIMITED DRIVING PRIVILEGES – Not Timely filed

_____ **I am currently under a 12-point suspension by the Ohio Bureau of Motor Vehicles, which began on _____, and I failed to file an appeal of the suspension within the required 20-day period.** I reside within the jurisdiction of the Bedford Municipal Court and seek modified driving privileges. In order to expedite the hearing process, I waive my right to challenge the action of the Registrar, Ohio Bureau of Motor Vehicles, in suspending my driver's license for a six-month period. I ask that the scope of hearing be limited to the issue of the granting of limited driving privileges during the suspension period. I stipulate that the Court may make its determination based on the suspension notice from the BMV and/or a current LEADS printout of my driving record.

2) REQUEST FOR FULL HEARING TO CHALLENGE 12-POINT SUSPENSION – Timely filed

_____ **I have been notified by the Ohio Bureau of Motor Vehicles of a pending 12-point suspension scheduled to begin on _____. I am hereby petitioning this Court for a hearing to retain my Driving Privileges in accordance with Ohio Revised Code 4510.037.** I reside within the jurisdiction of the Bedford Municipal Court, agree to pay all costs incurred, and have sufficient evidence to warrant the requested hearing.

I am notifying the Bureau of Motor Vehicles by certified mail of this petition by sending them a copy of this letter and requesting a record of convictions.

I have read the foregoing waiver/request form in its entirety. I understand its contents and voluntarily sign my name below.
